Start Smart Salary Negotiation Workshop

Why is negotiation so important? AAUW’s research on the gender pay gap shows that, one year out of college, women are already paid significantly less than men. Women who negotiate increase their potential to earn higher salaries and better benefits packages. AAUW Start Smart is specifically designed to teach you how to negotiate salaries for a new job.

Facilitated by Diana Sims-Harris, Director of Student Affairs, School of Science

Registration is limited to 20.
